Oklahoma Visual Arts Coalition's **Momentum & Goodwill** Industries Inc present:

Palette Challenge 2010

Are you a designer? Inventor? Engineer? Artist? Do you fancy yourself a bit of a MacGyver? This challenge is for you and your friends.

March 11: 5:30-6:30
Goodwill Industries Inc
410 SW 3rd St, OKC

Sign up with a team to create a construction from a palette of Goodwill items in one hour. Taking advantage of Goodwill's huge salvage operations, each team will receive a palette with a large box full of goods. You won't know what materials might be there until you start. OVAC will provide wire, cutters, and tape.

The most creative construction wins a prize! Recruit friends, family, coworkers or classmates and bring a team to compete. Email director@ovac-ok.org to sign up and reserve your spot. Challenge is limited to the first 5 teams signed up.

Held in conjunction with Momentum OKC gallery hours (5-7 pm). Event is free and open to the public. OVAC recommends team donations to Goodwill. See www.MomentumOklahoma.org for more information about the art exhibition.
